

RENA'S

We are a family
business running
experiential events
from our venue in
Ladbroke Grove.

Serena Morton has worked in the art market, curating and running galleries. Her son Federico Giesler brings his luxury hospitality and business background.

We have been
active participants
in the communities
of Golborne Road
and Portobello Road
for over 15 years.

Guided by art
and design, we
produce thoughtful
gatherings. Our
mission is to
create memorable
experiences
and foster new
friendships.

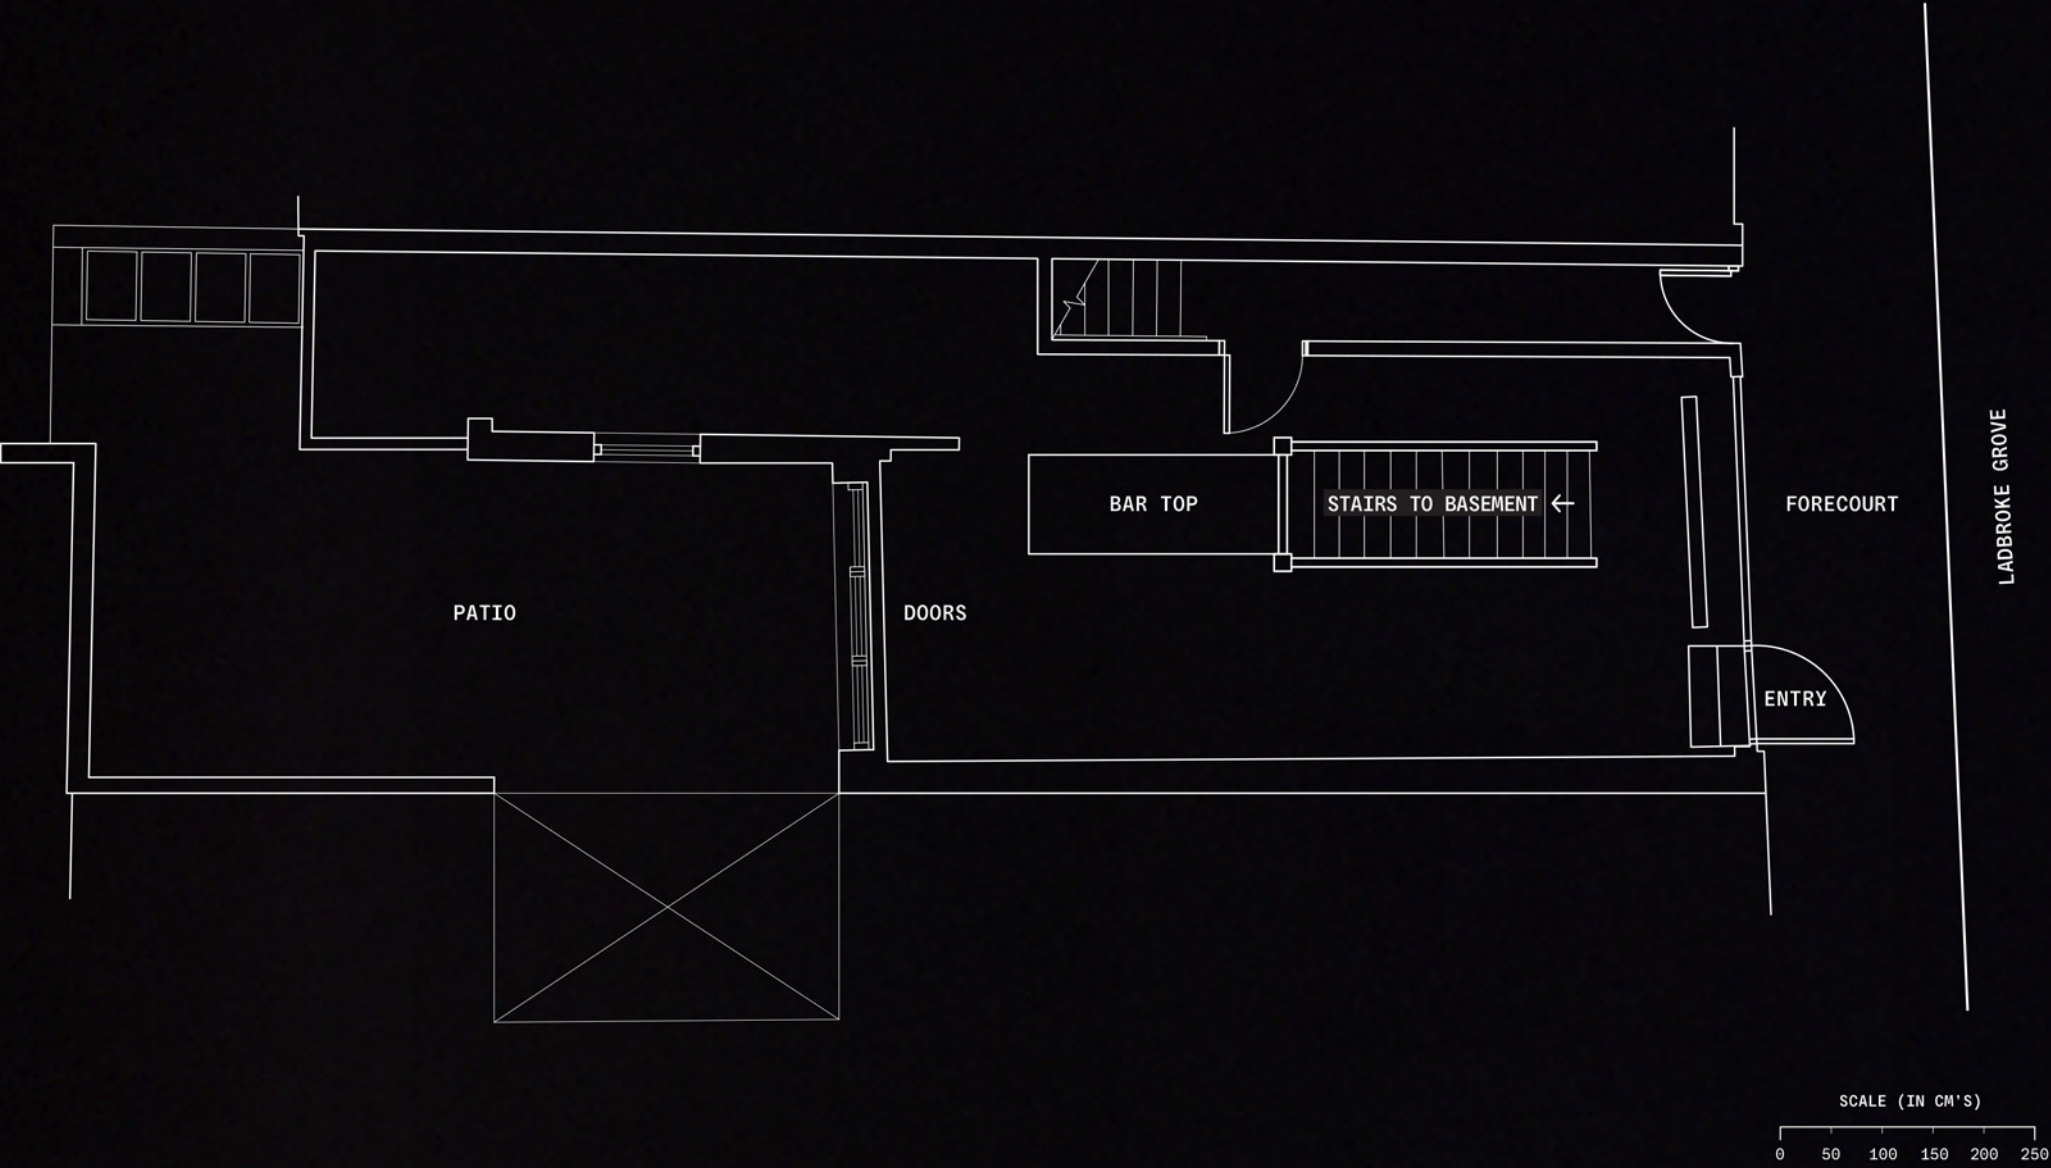

We offer a diverse programme ranging from wine tastings and cultural workshops, to pop-ups, private views, weekend parties and venue hire.

Situated on the north end of Ladbroke Grove in Kensington & Chelsea, our space is comfortable, has a stylish interior, elegant lighting, and a rotating backdrop of contemporary art.
